

EARTHWARRIORZ

From an eight-year-old's pitch to an organization that has reached over 95,000 children.

95,000+

children reached through the portal and climate camps

Age 9

founded EarthWarriorz; youngest alumna of the National Incubation Center to graduate

Age 13

won funding on Shark Tank Pakistan; youngest winner on any Shark Tank franchise

THE JOURNEY

AGE 8

Pitched at Climate Launchpad Pakistan

A climate education idea built around Fizza, a character I created.

AGE 9

Founded EarthWarriorz

Youngest alumna of the National Incubation Center to graduate.

AGE 13

Shark Tank Pakistan

Pitched and won funding — youngest in the world to win on any Shark Tank franchise.

LATER

Generation Unlimited YPAT

Selected for the Global Young People's Action Team, 4th Cohort — the only member from Pakistan.

Running an organization showed me **what I didn't know**. I could teach, but not test the science myself.
